## FOR PRESIDENT.

WM. MCKINLEY.

## FOR VICE-PRESIDENT.

THEO. ROOSEVELT.

## THE PRIMARIES.

Every Republican of Honolulu, every citizen who intends to affiliate with the Republican party should go to the primaries this afternoon and cast his ballot. The delegates elected today will constitute the convention that will nominate the candidates for the Legislature; they will elect delegates to the Territorial convention which will nominate the Delegate to Congress and the Territorial committee for the next two years; they will make up the campaign committee for the district in which they are elected. The full Republican vote should be polled and men elected who will recognize the liberal policy of the Republican administration and endorse such men and measures as will meet the approval of the people.

"By an odd coincidence the invitation (to speak at the Republican Rally) was so timed that it reached the Governor on the eve of his departure from Oahu on a vacation journey.—Advertiser.

This statement of the morning organ is, as is usually the case when it deals with the affairs of the Republican party, an absolute untruth. To prove its falsity it is only necessary to consult the Governor himself. Mr. Dole was the first man approached to speak at the rally. Names of other speakers thought of by the committee were presented to him and were acceptable to him. Circumstances over which the committee, the Governor or anyone else had no control caused postponement of the rally, and the Governor having made his plans for a vacation did not feel that he could make a change. The committee dealt honestly, openly and squarely with the Governor and the Governor reciprocated. The Advertiser's bald misrepresentation, both of the Governor and the committee shows to what despicable straits it is put in its campaign to destroy party harmony.

Hilo will undoubtedly be surprised that the opposition to holding the Territorial convention in that city has been taken up and ardently urged by an appointee of President McKinley. Federal officers are not supposed to refrain from straight politics but when it comes to assisting in the strife between two cities for a convention, they are going out of their way to create trouble.

## AORANGI IN PORT.

The R. M. S. Aorangi of the Canadian-Australian line arrived and anchored off port last night far ahead of time. The pilot went out to her but the quarantine officer did not go out until this morning. The Aorangi came alongside the Pacific Mail wharf at about 7:30 o'clock this morning. Purser Mason kindly furnished the Bulletin with the following report:

The Aorangi, C. W. Hay commander, left Vancouver at noon on the twenty-fourth of August and arrived at Victoria, B. C. at 6:45 p. m. same day. Left Victoria at 5 a. m. on Saturday, 25th August and experienced strong north-west winds with heavy swell, which which underrated on the following day and with occasional showers so continued until the 28th. Easterly and E. N. E. winds with fine weather and smooth sea were the met with and carried to port. The Aorangi has done some excellent steaming, the passage from Victoria occupying only 6 days 19 hours, showing an average of 14.5 knots per hour.

EVERY REPUBLICAN SHOULD VOTE AT THE PRIMARIES.

Neumann and Whiting for plaintiff; L. A. Thurston and Robertson & Wilder for defendant.

Eugene Avery has brought a new suit against W. C. King, claiming \$10,000 damages for false prosecution in the Circuit Court. His first case was in the Federal Court for \$5000. Davis & Gear for plaintiff.

She will be here four days taking on coal and will then sail for San Francisco. The Solace sailed from Manila about three months ago and, during the majority of that time, has been busy between Nagasaki and Taku. The Solace has fifteen officers and 250 men.
